Several years ago Jerry Clodfelter and Tom Richardson stated that they were striving to breed and develop "the Finest in Polled Shorthorns". It is the source of their livelihood, their way of life in which the entire families join enthusiastically.

The intervening time has added strength to their determination. Their 1962 Show Records prove that they are advancing increasingly closer to their goal.

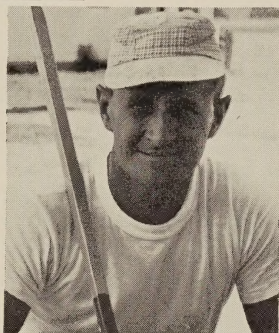

All matings in these herds are given the most careful consideration as to which combination of bloodlines will produce "the Finest in Polled Shorthorns", and all purchases made by these men are thoroughly studied in the light of that purpose.

When you buy from these firms you will be completely satisfied. They insist on this.

This catalogue brings you cordial greetings from the Clodfelter and Richardson families, the complete story of their 1962 sale offering and a warm invitation to inspect the cattle at any time and to be with the crowd on October 30th.

Clayton, Indiana

Alan Richardson showed Richwood Jr. Executive 4th x to more than 500 Rotarians last April 17th at their weekly luncheon in the Riley Room of the Claypool Hotel, Indianapolis, when Horace Walker conducted a mock auction as his vocational service program.

Three head from the Richwood Herd and 3 head from the herd of B. Hollis Hanson, Connersville, Indiana, represented the Shorthorn Breed.

Over \$4,000.00 was raised for the Indianapolis Rotary Foundation when 2 steers given by Rotary members were actually sold after the mock auction.

Rotarians are still talking about this unusual program.

TERMS AND CONDITIONS OF SALE

TERMS—The terms of this sale are cash unless other arrangements are made in advance with Gerald I. Clodfelter, Glatwyn Farms, or Thomas O. Richardson, Richwood Farms. All settlements must be made with the Clerk of the Sale immediately at the conclusion of the auction and before animals are removed.

GUARANTEE—All animals selling as a separate lot in this sale are guaranteed to be breeders regardless of age at time of purchase, except that bulls shall not be allowed to serve when under 14 months of age or allowed to run with the herd when under 20 months of age. Notice of failure of a bull to breed must be given to the owners of the respective farms at the earliest possible date. When a bull or female fails to comply with the guarantee both Glatwyn and Richwood will have the option of substituting an animal of equal value to the satisfaction of the purchaser, or having the animal returned for a trial period of not to exceed 6 months. The expense of freight in such cases is to be paid by the seller. If the animal is then proven to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

REGISTRATION CERTIFICATES—Certificates of registry and transfer will be furnished with each animal sold. An application for registry will be furnished for all unborn calves.

HEALTH—All animals have been tested for tuberculosis and bang's disease within 30 days of the date of the sale. Both Glatwyn and Richwood herds are Bang's Certified and Calfhood Vaccinated.

ANNOUNCEMENTS—All announcements made from the auction block on sale day will be considered final and will take precedence over matter printed in the catalogue.

LIABILITY—The above guarantee and terms shall constitute a contract between Glatwyn Farms and Richwood Farms (sellers) and the buyer of each lot. Neither the sale manager, nor the clerk of the sale assumes any liability, legal or otherwise. Where footnotes appear in this catalogue, they were furnished by the owners. We will not be responsible for any accidents that may occur but will make every effort to provide for the comfort and safety of our guests. Accidents at cattle sales are rare, but every person attending must do so at his own risk.

★**GLATWYN LAYMAN x3084-200.** Junior and Reserve Grand Champion at the 1962 Illinois and Indiana State Fairs as well as heading the First Prize Get-of-Sire at both these great shows. Sired by the 1958 International Grand Champion and out of a fine daughter of the 1956 International Grand Champion. A very dark red, smooth headed, with an abundance of bone, sound feet and legs, tremendous size, thickness and smoothness—he is one of the best we have produced. A real breeder's bull with freedom from faults. Should be a dehorner, too. His full sister was the great Lavender heifer bought by Gunn Farms, Greenfield, Indiana, in our 1961 sale. We would like to show him at Chicago.

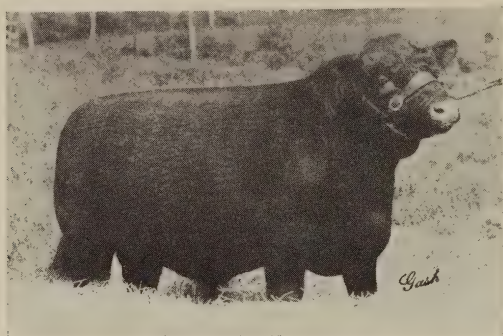

THE BULLS

Our pride and confidence in the individuality of this year's group of bulls and in their ability as sires is greater than ever before. We know there is more inheritance in them, and it not only shows in their appearance but will be more noticable in their offspring. We invite you to study and look at them.

★**GLATWYN SHAH x3103-572.** This summer yearling from the show herd was Reserve Champion to Glatwyn Layman x at the Indiana State Fair Gold Medal Show and Third in the open class, the only times shown. He has all the looks of a great stock bull—a special amount of head and character to go with a lot of size, depth and bone. I believe this solid, smooth headed son of Campeon Constructor, our winning son of Bapton Constructor, will be a great breed improver. He is the second bull calf out of Simplicity 11th x, the greatest brood cow we may have ever had. Her first son was Reserve Champion and top-seller at the National Congress Sale at less than a year old and is still doing a great job for Yeager & Clodfelter, Greencastle, Indiana. ★**GLATWYN LEGATE x3103-577.** Even though short-aged he was First Prize Summer Yearling and Reserve Junior Champion to Layman at the tough 1962 Illinois State Fair. Some good cattlemen have told us that this own son of the great improver, Carona Fascinationx, is the best Polled Shrothorn bull they have seen. His dam, S F Lavender 6th x, is a great individual and a proven brood cow that produced the top bull in one of the Lynnwood Farm bull sales. We bought her carrying Legate. ★**GLATWYN SENATOR x3084-207.** I am tempted to keep this double bred Broadway Hallmark x bull because of his great head, bone, smoothness, muscle and correctness. He is big, too. Sired by Glatwyn Gladiator x, second top bull in our 1960 sale and doing fine for Herbert Reynolds & Sons, Cuba, Kansas, he is out of one of our good Simplicity cows, Glatwyn Simplicity 22d x. She was carrying Senator when she was Reserve Senior Champion at Chicago, and she won a good number of other shows for us—one of our top cows. We haven't been showing him, but we would be happy to take him to Chicago for you. We are not using nurse cows any longer, and he is a show heifer's first calf and an April calf but is about ready to go. A real doer.

We purchased him last March at the National Congress Sale from the fine herd of Bill and Charles Hix, Winchester, Tennessee. We bought him because we liked him and thought he was the right kind and showed lots of promise. He has exceeded even our expectations. He has a great head and eye, a tremendous body and smoothness, lots of hind quarter and is a wonderful doer. ★**GLATWYN GUARANTEE x3103-581.** We would have shown this July son of El-Vi-Dor C Fascination x as our summer yearling, if we had not been so fortunate as to have two like Legate and Shah this year. He has never been in the barn (lot fed) but has a lot of natural fleshing, real thickness all the way back and heavy quarters. He is out of a real good producing cow from the very prolific Gloster family that we got when we bought the Potter herd. We are selling his dam with a full brother to Guarantee on her, Lot 26.

THE FEMALES

Sixteen heifers and four real good cows with calves at side make up the Glatwyn females for this year's sale. In the twenty female lots are ten own daughters of International Grand Champions, two others sired by Reserve Champions and the remainder by equally famous sires.

The pedigrees need to be studied, because we have done that carefully in selecting them and feel that they can produce no better than they are bred to produce. That's why we have confidence in them. Individually, we'll submit to your own appraisal. Each has been officially calfhood vaccinated, so no further mention has been made of it in the footnotes.

Mr. and Mrs. Ed Long, Springfield, Illinois, and Forest Ragsdale, Franklin, Indiana, are shown with Glatwyn Duchess Lady x, purchased by M. L. Magee, McHenry, Illinois at \$1,275.00, and Glatwyn Lavender 70th x, purchased at \$1,450.00 by Gunn Farms, Greenfield, Indiana.

★**GLATWYN MAYFLOWER 2D x3067-280.** The 1961 All-American Senior Heifer Calf and First Prize Senior Heifer Calf at the 1961 International at Chicago; also, a full sister to a 1961 All-American nominee that was a consistent winner including being Senior Champion at Kentucky. We are keeping her full sister, so we'll sell this one. We did not fit her at all this year, and she has been out on grass with our other sale heifers. She has a great head and character, is deep and sound and looks like a brood cow. Not only sired by a top breeding bull that got his breeding career cut short but out of an own daughter of the \$19,000.00 Leveldale Custodian that Paul Potter bought for Susanna Farms and which bull was instrumental in building this great herd. This good, well bred heifer sells mated to Glatwyn Notable x on August 20, 1962. We would like to take her to Chicago.

★**RICHWOOD EXECUTIVE x2990-445.** After a very successful two year showing career that was climaxed by the Reserve Senior Championship at the 1960 International, Executive is now sending his offspring into the showing and into a good number of top herds, and in both they are obtaining most satisfactory results. One of his outstanding daughters, Richwood E M M Royal x, was Grand Champion 4-H Shorthorn Heifer at the 1962 Indiana State Fair and Reserve Grand Champion Heifer in the Hoosier Gold Medal classes. This second crop of Executive calves has been quite pleasing all the way through, and this year's calves look even more promising. We believe Executive, a 100% dehornor, will be remembered as a great sire.

★**RICHWOOD E R ROTHES G 2d x3108-488.** Another very attractive senior heifer calf who has been Karen's 4-H heifer this year and has been real close to Alan's heifer whenever shown. She has teamed with Richwood E M M Royal x and another half sister and Richwood Jr Executive 4TH x to form our senior get-of-sire entry this year. Added to the individual worth of this heifer is the invaluable inheritance which she carries and which she will transmit to her offspring. She comes from the Rothes family, her dam being a daughter of Lynnwood Destiny x and out of the old Rothes cow. Her dam is also the mother of Richwood M M Rothes 22nd x who was First Place Junior Yearling Heifer for us at the 1960 International. Here is an abundance of breeding tied up in a very attractive package that could be capable of producing anyone's herd bull. She is a full sister to Richwood Jr Executive II x purchased in last year's sale by W. E. & Neil Whipple, Arcola, Illinois.
